Bio/Testimony

David Lin (vocals, guitar) - A true prodigal son, David says that his testimony is still be written, "I was baptized as a boy, looking back I don't know that I fully grasped what Christ had done for me." Enticed by the world, David walked away from his childhood faith only to find himself later in life looking God square in the eye (figuratively of course). After much running, David realized that he could not out run God and surrendered to Him on September 17, 1997.

Born into a musical family, David played several woodwind instruments and was active in school choirs. Inspired by classic rock sounds, David began his public music adventures as the lead singer for "Cloudburst" and "Tempest", a regional independent 1980's top 40 rock band. A self-taught guitarist, David put down his guitar for about 10 years and picking it up again only to sing praise to God.

David began his journey into Christian music as he served at Bay Area Community Church in Annapolis, MD, as youth praise band coordinator and small group worship leader. Currently David serves as the Worship leader at Grace Community Church and where he has been a member since 2002.

David is a founding member of 9th Hour and shares the songwriting duties with his wife, Dee Dee and band mate, Dan Allen. David points to the music of Chris Tomlin as one that has inspires and influences his own writing style.

Favorite Bible Verse: Ephesians 4:22-24

"You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; to be made new in the attitude of your minds; and to put on the new self, created to be like God in true righteousness and holiness."
